

CATHOLIC ARCHDIOCESE OF MELBOURNE

Stipend Principles 2018

1 December 2017

Purpose

To promulgate the stipends principles applicable to the Province of Melbourne for 2018 as approved by the Bishops of the Province and the Victorian Leaders of Religious Institutes.

The Bishops have approved these principles, with the right for further negotiation for those in parish ministry in view of the impossibility of many parishes to meet the recommendations.

Principles

The Standing Committee on Religious Stipends has considered recommendations in respect of the level of stipends applicable from 1 January 2018 and makes the following recommendations.

- a. That from 1 January 2018, the stipend payment shall be \$55,618 pa, being 85% of the mid-point of the Melbourne Archdiocesan recommended rate of pay for a lay Pastoral Associate Grade 1 as adjusted for 2018.
- b. The 10% allowance to Religious Primary School Principals shall remain unchanged.
- c. Pro rata payments shall be based on the full recommended stipend.
- d. Where a fully maintained vehicle with usage for other purposes is provided, the paying entity shall be free to negotiate a discount of the stipend payment.
- e. Parties shall be free to negotiate reduced rates when financial circumstances do not allow the payment of a full stipend. Two thirds of the full stipend (\$37,079 pa) shall be the minimum starting point for such negotiations.
