Introduction

The Catholic Church has a mission-driven moral and legal responsibility to create nurturing environments where children and young people are respected, where their voices are heard, and where they feel safe and are safe.

The Partnered Catholic Parishes of Sacred Heart, Diamond Creek, St. Mary's, Greensborough and St. Thomas the Apostle, Greensborough North, herein after named the Partnered Parishes, are faith communities inspired by the love of God. We strive to be a Christ centred community, welcoming of all, celebrating friendship, living justly and compassionately, courageous in facing the future, and finding our heart and inspiration in the celebration of Eucharist.

The Church's social doctrine constantly points out the need to respect the dignity of children. 'In the family, which is a community of persons, special attention must be devoted to the children by developing a profound esteem for their personal dignity, and a great respect and generous concern for their rights' (Apostolic Exhortation, Familiaris Consortio, 26). Indeed, it was Jesus who, when his disciples were arguing among themselves about who was the greatest, directed his attention to a little child and said to his disciples, *"Whoever welcomes one such child in my name welcomes me, and whoever welcomes me welcomes not me but the one who sent me"*. (Mark 9.37)

Duty of care

Catholic Parishes have a moral, legal and mission-driven responsibility to create nurturing parish environments where children and young people are respected, their voices are heard and they are safe and feel safe.

Consistent with the Catholic Archdiocese of Melbourne (CAM), the Partnered Parishes hold the care, safety and wellbeing of children and young people as a fundamental responsibility of the Church. This commitment is drawn from, and inherent to, the teaching and mission of Jesus Christ, with love, justice and the dignity of each human person at the heart of the Gospel.

Right to safety and participation

A culture of safety within the Church ensures that children and young people (defined as a person under 18 years of age) can actively and fully participate in the life of the Church and realise their potential in a faith community. The Partnered Parishes have a zero tolerance for all forms of child abuse and maltreatment and is committed to protecting children and young people from harm.

Child abuse

Child abuse or maltreatment is defined as an act (or series of acts) that endangers a child or young person's physical or emotional health or development and/or a failure to provide conditions to the extent that the health and development of the child or young person is significantly impaired or placed at risk.

Categories of abuse and maltreatment include:

- physical abuse
- sexual abuse including grooming
- emotional abuse including spiritual abuse
- family violence
- neglect
- discrimination
- bullying

Signs and indicators of child abuse or maltreatment are not always obvious. Physical abuse may be more visible than other forms of abuse (e.g. bruising). Neglect is harder to identify as it consists of a failure to provide adequate care and attention. Likewise, you may not witness discrimination or bullying in relation to disability, mental illness, family violence, skin colour or race, gender identity or sexual orientation. However, it may result in signs or indicators in the child's behaviour, for example social withdrawal and depression.

All children and young people are vulnerable but there are some children and young people who have an even higher risk of abuse than the general population. They are children who have experienced abuse before or who have a disability, are from culturally and linguistically diverse backgrounds, those experiencing poverty or homelessness or out of home care. Similarly, the child safety needs of Aboriginal and Torres Strait Islander children and young people are more acute due to a history of racism, marginalisation and dispossession.

Dignity of children and young people

The Partnered Parishes value the contribution and dignity of all children and young people and creates opportunities to involve children and young people in decision-making about programs, activities and events that affect them. The Partnered Parishes recognise that the need for empowerment of all children and young people, especially those at greater risk of abuse. Their involvement in decision-making can be a significant protective factor in preventing abuse.

Informing and involving parents (and guardians) in promoting child safety

The Partnered Parishes acknowledge that effective child safety cannot be undertaken without the involvement of parents (and guardians) and seeks to engage parents as critical partners in promoting the safety of children and young people. The involvement of parents and guardians of children and young people who are more vulnerable to experiencing abuse is particularly important.

Safeguarding children and young people

The Partnered Parishes acknowledge that preventing child abuse requires proactive approaches across policies, procedures and practices consistent with the requirements of the:

- Child Safe Standards and the Reportable Conduct Scheme (Commission for Children and Young People, Victoria)
- National Principles for Child Safe Organisations (Australian Human Rights Commission)
- National Catholic Safeguarding Standards (Catholic Professional Standards Limited)

In fulfilling this responsibility, the Partnered Parishes have developed a comprehensive framework to guide the implementation of child safety policies, procedures and practices with the aim of preventing child abuse, empowering children and young people, and responding to concerns, disclosures or allegations of child abuse or child-related misconduct.

This policy provides the basis of all associated policies, procedures and guidelines of the Partnered Parishes.

The application of this policy extends to clergy, employee and volunteer behaviour within the context of their role within the physical boundaries of the Partnered Parishes (e.g. churches, parish halls, presbyteries and schools); beyond the physical boundaries including pastoral support, visitation or outreach on non-church property (e.g. aged care centres, homes and more generally within our wider communities), online or via digital environments and while travelling outside the Partnered Parishes.

Safeguarding responsibilities

Through the Professional Standards Unit, the Archbishop supports and assists our Partnered Parishes to:

- implement safeguarding practices and processes outlined in this policy
- coordinate the response to allegations and reports of child safety related misconduct and child abuse in relation to clergy, employees and volunteers across the Archdiocese
- monitor and continually improve safeguarding practices and processes.

Everyone employed or volunteering at the Partnered Parishes has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children is at the forefront of all they do and every decision they make. All parishioners will be made aware of the parish child safety practice, policies and procedures through; the parishes' newsletters, posters in the church foyers, the parishes' websites and Facebook pages, in addition to training, supervision and annual recommitment service.

The leadership of the Partnered Parishes is responsible for ensuring compliance with this policy and relevant procedures and practices within each of the Partnered Parishes to protect children and young people. The PSU will require the leadership of our Partnered Parishes with its Safeguarding Committees to summarise their compliance with the requirements of this policy on an annual basis.

The Safeguarding Committee established within our Partnered Parishes plays a central role in assisting the parish priest with the implementation of the requirements of this policy.

Further, as safeguarding children and young people is a collective responsibility; all persons in ministry, working or volunteering within the Partnered Parishes acknowledge their individual responsibility to comply with clear behavioural expectations to act in a manner that is caring, respectful and safe toward children and young people.

Every member of the clergy, employee or volunteer within the Partnered Parishes has a moral, legal and ethical responsibility to care for, and promote the wellbeing of children and young people, and protect them from harm or abuse.

This applies to all those involved in the Partnered Parishes including:

- clergy, including all canonical administrators of the Partnered Parishes (e.g. bishop, parish priest, assistant priest, migrant chaplains, visiting clergy, priests in residence, supply clergy, deacons)
- Sisters, Brothers and Religious Priests holding an appointment from the Archbishop to undertake work in the Partnered Parishes
- employees (including casual employees)
- lay ecclesiastical ministers including pastoral associates, those engaged in chaplaincy
- volunteers
- seminarians
- persons residing at the presbytery or on the grounds of the Partnered Parishes
- students on placement
- contractors (where applicable)

The Partnered Parishes Safeguarding Children and Young People Policy parallels the development of similar policies in a range of CAM organisations involved in education, health and welfare. CatholicCare, Catholic Education Melbourne, Catholic systemic schools, Mannix College and Villa Maria Catholic Homes all have safeguarding policies and personnel working or volunteering in these organisations will be guided by these policies. The Partnered Parishes, recognise these institutions have these policies and abide by them whenever we engage with these institutions.

Safe Personnel

Selection, recruitment and screening

The Partnered Parishes in seeking to provide safe and enriching interactions with children and young people within the context of the Partnered Parishes, sets out selection, recruitment and screening processes that consider the suitability and appropriateness of persons to work with children and young people in ministry or in an employment or voluntary role to minimise the risk of child abuse occurring.

Child safety code of conduct

A specific child safety code of conduct provides guidance to clergy, employees and volunteers in the context of their involvement with children and young people in the Partnered Parishes.

Induction

Induction processes incorporate safeguarding awareness to build a foundation of understanding and commitment to the safety of children and young people.

Safeguarding Training

In supporting clergy, employees and volunteers to promote the safety of children and young people and discharge their responsibilities in line with this policy, the Partnered Parishes provides a range of training and education activities that equip clergy, employees and volunteers with the skills and knowledge to promote the safe participation of children and young people.

Safeguarding Committee

The Partnered Parishes has established a Child Safeguarding Committee that has representation from each of the parishes. This Committee works with the leadership of each of the Partnered Parishes to ensure policies, processes and practices are in place to protect children and young people. The Committee meets at least four times per year and reports progress to the leadership of each parish.

The Committee seeks to ensure the Safeguarding Children and Young People Policy is embedded across the parishes and compliance with requirements are met by:

- Promoting child safety within our communities and fostering an understanding of the importance of child safety.
- Facilitating the communication of information in relation to child safety within the Parish.
- Working collaboratively with the leadership of the parish to promote the safety of children and young people.
- Implementing, maintaining and/or reviewing child safeguarding processes and procedures to support the wellbeing and safety of children and young people with input from relevant stakeholders e.g. priest, pastoral associates/workers, parish administration, parents, children, young people and program leaders.
- Ensuring that reporting processes for concerns and/or allegations are well communicated across the parish and act as the first point of contact in relation to child safety concerns, reports or allegations and comply with reporting protocols for child abuse reports and allegations.
- Participating in and/or delivering child safety information and training.
- Monitoring ongoing compliance with the CAM Safeguarding Children and Young People Framework which encompasses the requirements of the Victorian Child Safe Standards.
- Engaging in and/or reviewing risk management processes to promote the safe participation of children and young people in programs, activities and events.
- Involving children and young people (and their families) in decision-making and planning to promote child safety.
- Ensuring that reporting processes for concerns and/or allegations are well communicated across the parishes, and act as a first point of contact in relation to child safety concerns, reports or allegations and comply with reporting protocols for child abuse reports and allegations.
- Participating in and/or delivering child safety information and training.

Documentation (e.g. meeting minutes, correspondence, risk assessments, communication) in relation to the Safeguarding Committee is retained by the Parishes' administration and stored securely. These records will form part of the evidence base for the Partnered Parishes' efforts to safeguard children and young people.

(The CAM Professional Standards Unit will require the Safeguarding Committee to summarise its compliance with the requirements of the Safeguarding Children and Young People Framework on an annual basis (self-assessment/audit process).

The membership of the committee includes:

- Parish Priest and /or Assistant Priests,
- Pastoral Associates/Worker
- Parish Secretaries,

and other relevant parishioners which may include:

- program coordinators, who may be employees or volunteers involved in child and youth related work and ministry
- volunteers with child safety expertise (e.g. lawyer, human resources professional, teacher or school principal, early childhood education worker, police officer, social worker, youth worker) and/or commitment to safeguard children and young people
- parent/parish representatives.

Supervision

It is a requirement of this policy that those whose roles involve working with children and young people are provided with supervision and support to undertake their role in a manner which promotes the safety of children and young people and enables detection of behaviour that may be detrimental to children and young people.

Safe programs, activities and events

Child safety risk management

A key element of the way that the Partnered Parishes safeguard children and young people is by employing a risk management approach that systemically identifies and assesses risk associated with programs, activities and events involving children and young people to minimise opportunities for harm to occur.

Practice and behavioural guidelines

In addition to risk management process, the Partnered Parishes utilise guidance provided in practice and behavioural guidelines in relation to conducting programs, activities and events involving children and young people.

Responding to and reporting child abuse

The safety of children and young people is paramount. All concerns, allegations or complaints of child abuse will be taken seriously and acted upon consistent with the Partnered Parishes' moral, ethical and legal obligations to safeguard children and young people.

In Victoria, the following legislation governs how adults should respond to child abuse:

- The *Children, Youth and Families Act 2005* (Vic) defines when a child is in need of protection (s 162) and the mandatory reporting obligations of certain professionals working in our community (ss 182, 184).
- The *Child Wellbeing and Safety Act 2005* (Vic) sets out the Reportable Conduct Scheme.
- The *Crimes Act 1958* (Vic) creates the offences of 'failure to protect' (s 490) and 'failure to disclose' (s 327) which place additional legal responsibilities in relation to reporting, if a reasonable belief has been formed that a child or young person is at risk of or experiencing child sexual abuse.

The Partnered Parishes acknowledges its moral, legal and ethical duty to effectively respond to and report concerns, allegations or complaints of child-safety related misconduct and/or child abuse to the appropriate authorities such as the Victoria Police, Child Protection (Department of Health and Human Services) and the Reportable Conduct Scheme (Commission for Children and Young People).

Children and young people (and their families) within the Partnered Parishes have information and support to report a concern, allegation or make a complaint through processes that are accessible and respectful (see Responding to and Reporting Policy).

It is a requirement of this policy that members of the Partnered Parishes, make a report if they have formed a reasonable belief that a child or young person has experienced abuse, is experiencing abuse or is at risk of harm in the course of their ministry or work. Not reporting child abuse or misconduct that places children and young people at risk of harm is a breach of the Safeguarding Children and Young People Policy.

Making a child abuse report involves notifying statutory authorities and the Professional Standards Unit (PSU) of the Catholic Archdiocese of Melbourne in a timely manner (as soon as practicable after forming a reasonable belief, unless the child or young person is in imminent danger).

Reporting to the PSU ensures that the Partnered Parishes report and respond appropriately to concerns, allegations of complaints in relation to safety of children and young people.

All reports are to be documented on the **Child-safety Related Misconduct and/or Child Abuse Report Form** and emailed to the Professional Standards Unit -

professional.standards@cam.org.au – as soon as practicable.

In Victoria, alleged child abuse perpetrated by:

- clergy, employees and volunteers is reported to the Sexual Offences and Child Abuse Investigation Team (SOCIT) within Victoria Police
- a family member is reported to Child Protection - Department of Health and Human Services (DHHS)
- a child or young person is reported to Child Protection (DHHS) and/or the SOCIT (Victoria Police) (e.g. sexually harmful behaviour, aggression, violence, online exploitation).

PSU's role in relation to reports of alleged child-related misconduct and/or child abuse

The Professional Standards Unit (PSU) is responsible for coordinating child-safety related misconduct and child abuse reports in relation to the safety and wellbeing of children and young people and liaising with statutory authorities.

The PSU will be guided by the recommendations of Victoria Police and/or Child Protection in relation to any action that may be required to promote the safety of those involved and the integrity of the investigation process.

CAM has a legal responsibility under the Reportable Conduct Scheme to notify current and historical incidents of suspected child abuse or misconduct of clergy, employees and volunteers to the Commission for Children and Young People (CCYP).

Serious misconduct and/or criminal behaviour will be reported to the Reportable Conduct Scheme (Commission for Children and Young People) and/or Victoria Police and be subject to internal investigation and disciplinary action (and/or administrative action subject to the requirements of Canon Law for members of the clergy).

Disciplinary action is determined by the seriousness of the misconduct. Disciplinary action in the case of employees and volunteers may consist of:

- counselling
- training
- a verbal or written warning
- suspension (with or without pay)
- dismissal.

In the case of clergy, disciplinary and/or administrative action will be considered in accordance with Canon Law and may include:

- pastoral supervision
- counselling
- suspension of faculties
- permanent removal of faculties
- recommendation to the Holy See for a penal precept or dismissal from the clerical state (laicisation)
- excommunication.

Confidentiality and privacy in relation to reports of child abuse will be maintained consistent with the principles of natural justice and our duty of care to safeguard children and young people.

The safety and support needs of all parties involved in a report will be considered and addressed as part of this process.

The PSU will centrally record and monitor child-safety related misconduct and/or child abuse to provide the Archbishop with oversight in relation to the safety and wellbeing of children and young people across the Archdiocese.
