Archbishop Christopher Prowse

"The School of Evangelisation is taking seriously the Catholic Church's call for a New Evangelisation. It is equipping people with some important tools for making Jesus known and loved in our confusing times. I recommend this for your consideration."

Fr. Brendan Lane

(Rector Corpus Christi Seminary)

"Brilliant talks, punctuated by simple experiences and power point displays have made the message accessible to the simplest. We are going to continue with these training days to form people in themselves and equip them with skills to be evangelisers."

Jesus Christ

"Go therefore & make disciples of all nations."

Pope Paul VI

"The Church exists to evangelise."

Pope John Paul II

"No believer in Christ can avoid this supreme duty: to proclaim Christ to all people."

Pope Benedict XVI

This course is an opportunity to come into a deep, personal relationship with Jesus, to experience His love and healing in your life and to make a deeper commitment to follow Him. It will also give you a greater enthusiasm to share this Good News with others in your family and community.

If you are looking for a deeper sense of purpose and meaning in your life then this course is for you. Come sit at the Master's feet.

Discipleship

The renewal of the Church and the re-evangelisation of Australia can only come about if each individual Catholic experiences a personal encounter with Jesus.

The Catholic Catechism says: *The transmission of the Christian faith consists primarily in proclaiming Jesus Christ in order to lead others to faith in him. From the beginning, the first disciples burned with the desire to proclaim Christ: "We cannot but speak of what we have seen and heard" Acts 4:20. And they invite people of every era to enter into the joy of their communion with Christ. CC425*

Only disciples with a radical, passionate, committed relationship with Jesus will have the desire and the power to share the Gospel.

This course is not a study of the Gospel of John, rather an invitation for you to draw closer to Jesus, so you too become a beloved disciple like John.

Catholic School of Evangelisation

In response to Pope John Paul II's urgent calls to evangelise, the Catholic School of Evangelisation was formed in Mexico in 1980. The School was brought to Australia in 1994 by the late Bishop Joe Grech and has taken up the challenge to help develop evangelising parishes by conducting a series of formation courses.

The majority of Catholics feel ill-equipped to share their faith with others, sometimes not even having much understanding of their own faith.

The Schools of Evangelisation are endeavouring to give people a vibrant, lived experience of their Catholic faith, and the skills and confidence to be a real evangelising influence in their families, parishes and communities.

The courses, through the use of practical and theoretical methods give participants a deeper understanding of the basic message of the Gospel
